**Webinar Descriptions:**

**Behavior & Discipline in School**  
Participants will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

**Evaluation & RTI**  
Evaluation and determining eligibility are key elements in special education. Participants in this workshop will learn about the process that determines the need for special education and related services.

**Families in Early Intervention**  
Parents who have concerns about their child’s development often feel overwhelmed and unsure where to turn. This informative workshop is for families of children under the age of five who are interested in learning more about early intervention or school services that will help their child’s development.

**How is My Child Reading?**  
This workshop focuses on helping participants understand terms that are used when discussing reading and writing. Learning the building blocks of literacy will answer this question and give parents the confidence to discuss reading scores with school staff. Don’t miss this workshop full of valuable information on how students learn to read and write.

**Introduction to IEP Workshop**  
Parents are key members of their child’s IEP team. This workshop includes an in-depth look at the Individualized Education Program (IEP), including how to use evaluations to write measurable goals, as well as strategies to help parents become more active participants in their child’s IEP meetings. Please have your child’s IEP handy so you can review it during the webinar.

**Is Your Child a Target of Bullying?**  
Many students miss school because of bullying. Bullies tend to target children who are considered “different”. This workshop offers intervention strategies to help families cope with and prevent bullying.

**Planning for Change - School to Adult Transition**  
Both parents and students will learn an overview of the transition requirements in the IEP, including strategies they can use for effective transition planning as the students move toward college, employment, and living independently.

**Skills for Effective Parent Advocacy**  
Learn six important skills you can use to become a more effective advocate for your child with a disability. Communication techniques will help you feel more confident advocating for your child.

**Understanding ADHD for Parents**  
Parents of children who have Attention Deficit Hyperactivity Disorder (ADHD) face different challenges when helping them achieve appropriate behaviors. Attend the webinar to learn strategies that can help children become more successful in managing their behaviors.

**Descripciones de Webinars:**

**Entendiendo ADHD para Padres**  
Padres de los niños que tienen Trastorno por Déficit de Atención e Hiperactividad (ADHD) se enfrentan a retos diferentes al ayudar a los niños a lograr conductas adecuadas. Aprenda algunas estrategias que pueden ayudar al niño/a a tener éxito en el hogar, la comunidad y el entorno escolar.

**¿Es Su Hijo un Blanco de Bullying?**  
Muchos estudiantes faltan a la escuela a causa de la intimidación. Acosadores tienden a enfocarse en los niños que se consideran: “diferentes”. Este taller ofrece estrategias de intervención para ayudar a las familias a enfrentar y prevenir el acoso escolar.

**Introducción al Curso del IEP**  
No pierda la oportunidad de darle un repaso a su conocimiento del IEP! Este webinar ayuda a los padres que tengan más confianza en la participación y las decisiones hacia el IEP de su hijo.
